## Recycling Opt-out

You can sign up for recycling at any time throughout the year, but the only time to opt out of recycling is during the month of September. If you would like to opt out, stop by our office to fill out the appropriate form, or visit our website. Recycling is only \$6 a month. If you would like to sign up for recycling, just call the City office and we will get a can delivered to you.

## Halloween Event

Halloween is right around the corner! Watch out for more information on Vineyard's Halloween event coming near the end of October!

## Crossing Guard Needed

Vineyard is looking for a crossing guard! If you or anyone you know is interested, visit our website for the full job description!

## Sheriff's Department

School is back in session! Please remember to slow down for all the kids going to school. We have new school zone lights on Main Street and on 400 South and we will be out enforcing those areas.

Are your kids riding their bike to school? Remember to lock them up, and it is always a good idea to write down the bike's serial number in the event that it is stolen. Talk to your kids about walking to and from school and crossing the street safely.

## Vineyard Heritage Commission Corner

### *Game Over*

Traditional baseball games end after nine innings, but the length of the games varied in the 1930s during Vineyard neighborhood outings up Provo Canyon. "The ball games were fun, but they usually ended when the ball was knocked into the river and swept away," Boyd Holdaway remembered. At that point, most of the players knew it was about time to go home and milk the cows anyway.
